|                       |  |  |
|-----------------------|--|--|
| <b>Course Title</b>   | <b>DAMON MASTER CLASS</b>  |  |
| <b>Capacity</b>       | 40   |  |
| <b>Date</b>           | -  |  |
| <b>Timings</b>        | 08:00 AM – 07:00 PM  |  |
| <b>Course Faculty</b> |  <p><b>Dr. Borgan Bader</b></p>  |  |
| <b>Course Details</b> | <p>Orthodontics is the only specialty that helps you to create natural healthy smiles that would give your patients a new start in life. Damon system is the only system that enables you to treat any case you may have, open the door for more treatments options and simplified protocols.</p> <p>For more over than 8 years I have been trying different ways and protocols for treatments with Damon system until I have finally created my own philosophy - Borganodontics - in using the DAMON system which helped me and will help you to be the only doctor who treats cases other doctors can't.</p> <p>Everything I have learned, created or developed, using the Damon system has been gathered in this master class, and for the first time in INDIA it will be available to you, so you can become a master of Damon system, step by step ... from beginning to end.</p> |  |
